

CAMPING SERVICES 2027 FINANCIAL ASSISTANCE APPLICATION

The Y strives to make our camps available to all, regardless of your economic background. While families are expected to pay their fair share, financial support for camp is available. The amount we can offer is based on family size, gross income, extenuating circumstances and available funding. We are pleased to offer this financial support, which is made possible by the efforts and contributions of camp alumni, friends, and families through the Y's Annual Support Campaign. We look forward to potentially serving your camper at Camp Foss or Camp Mi-Te-Na this summer!

The following information is necessary to determine the eligibility of your child for financial assistance. All information must be completed in full, with parent/guardian signature, to enable us to determine eligibility. All information received will be kept in strict confidence.
